OTHER COURSES IN ATHENS OF INTEREST TO HROD M.Ed. STUDENTS

These are courses that were listed in OASIS. This is not a comprehensive list, but it does list courses that are either known to be or sound interesting and relevant for HROD students. You are responsible for further investigating these and/or other courses and working with your advisor to decide if any of them would fit in your program of study. Note: 9000-level are doctoral level courses.
