

# MNPO Advisement Form

**Dear Advisee:**

Registration begins soon. Please check OASIS for your specific registration time as well as to note and tend to any flags you may have on your record other than for advisement.

You should complete the attached worksheet for your program and return it to your advisor. You can e-mail the completed worksheet to Dr. Holland at [tholland@uga.edu](mailto:tholland@uga.edu) or call the program office at 706-542-1090. You may also mail it to:

Thomas P. Holland, Ph.D.  
University of Georgia  
Tucker Hall  
Athens, GA 30602

**You will not be cleared to register until you submit this form.** You will be cleared in the OASIS system prior to the first day of registration.

Please note that this worksheet does not take the place of more personal communications with your advisor. If you would like assistance with your program and/or career plans you should schedule an appointment. This "virtual advising" is just one tool to help track your progress and provide clearance to register. Please follow the directions below:

1. Type your name and the date on the form.
2. Check off the courses that you have completed, list the semester and year completed, and the grade you received. Your full program of study should be reflected on the form.
3. Plan what courses would like to take next Semester. Contact your advisor if you would like to discuss.
4. Mark each course that you plan to take next semester by completing the "Sem/yr." field.
5. Share how you're doing in the program by answering the questions on the last page.
6. Send this back to Dr. Holland so you can be cleared for registration.
